The Fort Wayne Ice Skating Club (FWISC) was formally incorporated in 1958 and has been a proud member of U.S. Figure Skating ever since. We have produced many national and international competitors through the years, and we have instilled a lifelong love of figure skating in our members and their families. Our coaches provide all levels of off-ice and on-ice training programs and individual lessons for individual skaters, pairs teams, and Theatre on Ice teams. The mission of the FWISC is to promote the sport of figure skating by providing opportunities for competitive and recreational skaters of all ages to expand their skills while developing a life-long love for the sport. Come and skate with us!

## Reasons to Join FWISC

- \* Be a part of something bigger than just you - Make new friends & learn from members while you compete & share experiences
- \* Membership entitles you to represent your hometown & FWISC in competitions, earn individual medals & take USFS tests
- \* Skate in specially choreographed numbers in ice shows & on the Flying Edge Theatre on Ice team
  - \* Buy special club only merchandise
  - \* Attend club only socials & events
- \* Receive SKATING—a cool official magazine of U.S. Figure Skating
- \* Potential scholarships for financial support of skating activities
- \* Rewards & recognition for member accomplishments
  - \* Ice skating requires focus & paying attention
  - \* No matter the weather, ice rinks are always open
- \* Kids who can't run fast can still learn how to skate fast
- \* Ice skating teaches kids to get up after falling. And to get up again...and again
- \* Even little kids can learn to skate with confidence
- \* As a teen hangout, ice rinks deter many kinds of unwanted behaviors.
  - \* Ice skating can be enjoyed for a lifetime
